Participant's Pledge Goal (ex. \$250)

I'm running/walking in the Country Music Marathon/1/2 Marathon/Kid's Marathon on April 24/25, 2009 with the Lily's Garden Team to Weed out Leukemia and Childhood Cancer. My goal is to raise \$\_\_\_\_\_ to find a cure. **Did you know that:**

- Childhood Cancer is the #1 disease killer of children - more than all other diseases COMBINED!
- Each school day 46 children are diagnosed with cancer!
- Each year over 2300 children die from childhood cancer!
- All types of childhood cancers combined only get 3% of the national funding for cancer!

Childhood cancer is significantly underfunded, and I am going to run/walk for a cure! 100% of all pledges will be donated to organizations that are working to find a cure for childhood cancer or helping the patients and families fighting this disease!!
